## Exchange Program

In today's eco-conscious world, there is a growing demand for more user-friendly recycling programs. Da-Lite has responded to this demand with the announcement of its' new Da-Lite Screen Green Exchange Program. This AV industry first is designed to make disposing of an old projection screen easy and painless. The Da-Lite Screen Green program offers free recycling of any existing screen when it is replaced with a new installation from Da-Lite.

With the purchase/exchange provision of the program, customers will receive the necessary shipping materials to return the old screen to Da-Lite when the new screen arrives at the installation. Customers will only have to pay the shipping to the company's headquarters in Indiana.

For more information about the Da-Lite Screen Green Exchange Program please contact your Da-Lite Sales Consultant, AV Dealer or visit our website @Da-Lite.com/ScreenGreen for more information on how to participate.

Do the world and yourself a favor – when it's time to replace your projection screen make sure you specify Da-Lite and the Screen Green Exchange Program – it can make a world of difference.
